

We want to be creative in reaching new people and places with the good news in the power of the spirit

We are going to achieve this by:

Open and Accessible Worship

- continuing to offer worship on a Sunday morning with increased advertising and visibility that we are at prayer. We need to improve signage, look at the use of AV equipment and allow our worship to be clear and accessible starting in 2013.
- offering new experiences of worship at different times of the week and day, and linking with those who are seeking faith. We plan to start with 2 trial services in autumn 2013 .
- increasing range of music we use and the involvement of a wider variety of people in leading our music.

Active Discipleship

- nurturing our prayer life through daily prayer and establishing a prayer network in 2014.
- grow and nurture our Christian faith through Lent and Advent studies, and annual Summer New Disciples Outreach series starting 2014.
- bringing new people to faith in Christ through ‘open house’ weekend, events in other venues, increasing our visibility and Summer Discipleship Course.
- continued commitment to Sunday School and Youth Group through review resources, being part of the Children’s Charter and offering opportunities to grow in faith.
- advertising occasional offices like weddings and baptisms.

**St Anne with Holy Trinity,
Brondesbury**

Confidently sharing the love of Christ

Mission Action Plan 2013—2015

St Anne’s is a parish within the Church of England Diocese of London and we have committed to being part of the London 2020 Vision. That is we seek to be:

- **Confident in speaking and living the Gospel of Jesus Christ**
- **Compassionate in serving the communities with the Love of God the Father**
- **Creative in reaching new people and places with the good news in the power of the Spirit.**

We are an inclusive church within the liberal catholic tradition that seeks to serve God and share Christ’s love in our community. We seek to be a welcoming, diverse and friendly community, regardless of age, gender, sexuality or race.

Our faith is expressed:

- ♦ spiritually, through worship and support
- ♦ socially through community events and activities
- ♦ outwardly through engagement with London Inter Faith Centre and in our Ecumenical Partnership with the United Reformed Church
- ♦ physically through the availability of rooms and other spaces for hire and
- ♦ practically with social action, links, activities and information.

We desire to achieve this through stewardship, worship, partnership, discipleship, social life, social engagement and social action!

This is our parish—we would like every member to commit to doing ONE of these.

Please think carefully about what you could do!

We want to be confident in speaking and living the Gospel of Christ.

We are going to achieve this by:

Being Good Stewards

- opportunity for Involvement of all members of our congregation in the life of our community by doing a skills audit in 2013 and building on this.
- improving our signage and visibility in the community by Advent 2013.
- increasing our fundraising and planned giving through regular events and an annual stewardship campaign during 2014 and beyond.
- increasing our Common Fund payment in 2014, and each year to improve our partnership in mission in London.

Being a Faithful Worshipping Community

- offering a wider range of worship experiences starting autumn 2013 .
- increase participation of the congregation in worship through music, serving and pastoral care .
- offering more opportunities for children and young people to engage in worship and joining the children's charter in 2014. (A Diocesan quality mark for involving children.)
- Worshipping with the URC at least twice a year.

Being Partners in the Gospel

- sustaining and promoting the work of the London Inter Faith Centre.
- nurturing our relationship with the URC congregation in the building we share.

How might you help?

We want to be compassionate in serving the community with the Love of God

We are going to achieve this by:

Active Social Action

- continued support of local charities—Salisbury World, St Mungo's and Brent Food Bank—with annual reviews of our support.
- affirming our commitment to inclusive and safe communities.
- encouraging our young people to work alongside our local charities.

Active Social Engagement

- intentionally working with older members of our congregation and community through trial of coffee club starting spring 2014.
- expanding our work with children through My Move Drop In, links with Salisbury School and Ark Academy (Kensal Rise Primary), and investigating the possibility of a weekly *Messy Church* After School Club in 2014—2015.
- supporting local families in need by becoming a collection point for Brent Food Bank and exploring ways to provide practical resources for local refugees in 2014.

Active Social Life

- increasing our parish social events to one a term with an opportunity to invite community members along.
- develop further our involvement and visibility on Queen's Park Day.

Are there skills or time could you offer?
