St Anne with Holy Trinity, Brondesbury

Confidently sharing the love of Christ

Mission Action Plan 2013—2015

LET'S WORK TOGETHER

TIME TO COMMIT TO ONE THING!

St Anne's is a parish within the Church of England Diocese of London and we have committed to being part of the London 2020 Vision.

That is we seek to be:

- **Confident in speaking and living the Gospel of Jesus Christ**
- **Compassionate in serving the communities with the Love of God the Father**
- **Creative in reaching new people and places with the good news in the power of the Spirit.**

We are an inclusive church within the liberal catholic tradition that seeks to serve God and share Christ's love in our community. We seek to be a welcoming, diverse and friendly community, regardless of age, gender, sexuality or race.

Our faith is expressed:

- ◆ spiritually, through worship and support
- ◆ socially through community events and activities
- ◆ outwardly through engagement with London Inter Faith Centre and in our Ecumenical Partnership with the United Reformed Church
- ◆ physically through the availability of rooms and other spaces for hire and
- ◆ practically with social action, links, activities and information.

We desire to achieve this through stewardship, worship, partnership, discipleship, social life, social engagement and social action!

How you can help!

We want to be confident in speaking and living the Gospel of Christ.

We need people to help with fundraising—this could be arranging an event, helping with Queens Park Day, talking to others about stewardship, or even committing to increase your giving.

We need people to help with worship—this could be reading, praying, or helping with music in church. You could serve at the altar, help with visiting, help with Sunday school, be part of our

We need people to help with the work of the London Inter Faith Centre, and with the URC congregation in shared activities. Maybe you could be on the Joint Council?

We want to be compassionate in serving the community with the Love of God

We need people to help in charity work—this could be helping serve food at the food bank, raising funds for our charities, sharing information or being a link person.

We need people to help us help others—this could be working with older members of our community (possible lunch club), helping with My Moves or an after school children's club; or helping at the food bank.

We need people to help us enjoy each other—this could be social activities, fundraising and social events that new people might come to, being part of the Queen's Park Day team.

We want to be creative in reaching new people and places with the good news in the power of the spirit

We need people to work on new forms of worship—we need people to help in welcoming people to new services, or helping with a range of types of music in worship.

We need people to pray—we are forming a prayer network—we need someone to lead it and people to join in.

We need people to talk to others about their faith - we are need people to help with bible studies and groups for new comers.

We need people to help with publicity.

What to do now!

We are asking every member of St Anne's to take time to:

- 1. Read our Mission Action Plan**
- 2. Pray about how they would like to be involved**
- 3. Commit to one thing that they can do during 2014**

You can chose to do more than one thing **BUT** we do not want people to feel pressured or become resentful of being part of our community. There are some things which may take more or less energy—so please think about what you have time for and how you can commit.

We are asking everyone to complete this form before February 2014. We will then collate the results and arrange for you to have the information you need. Some things will be immediate—others things will occur later in the year. For example, our Prayer Network will be launched at the start of Lent. It may be something that everyone can be part of.

Please complete the form overleaf and return it to the box in church.

Please tick activities you are interested and also the time you feel you have to offer. That is, do you have an hour each week, or one hour each month or one day each year?
