### Unusual Attendance

Please describe below if any of the attendance figures are unusual for any reason (e.g. Harvest Festival or half-term) and the impact on figures.

# School Assemblies

How often does your clergy/ministry team lead acts of worship in school assemblies?

This question asks about how often a member of your church ministry team leads acts of worship held in schools. Unlike school services, which are included in the October count, school assemblies are held within school buildings rather than your own church or church building.

"Usually" refers to during term-time or when the school is open, ignoring school holidays.

Please select one box as the closest estimate.

			Usually...			
Never	Occasionally (ad hoc)	once or twice a term	once a month	once a fortnight	once a week	more than once a week

## Social Action

This question asks about your church's involvement in those activities that previous research has suggested are amongst the most widespread.

**Include:** Please only include organised activities that are primarily run for the benefit of the wider community (not primarily for the church congregation).

If you are unable to complete this question, please leave it blank
