# St Anne with Holy Trinity, Brondesbury

*Confidently sharing the love of Christ*

## Mission Action Plan 2020-2023

St Anne's is a parish within the Church of England Diocese of London and we have committed to being part of the London 2030 Vision.

That is we seek to be:

- **Confident in speaking and living the Gospel of Jesus Christ**
- **Compassionate in serving the communities with the Love of God the Father**
- **Creative in reaching new people and places with the good news in the power of the Spirit.**

We are an inclusive Church of England parish within the liberal catholic tradition that seeks to serve God and share Christ's love in our community. We seek to be a welcoming, diverse and friendly community, regardless of age, gender or race, who compassionately provide a community resource:

- **spiritually**, through worship, faith and crisis support;
- **socially** through fellowship, community events and activities;
- **faithfully** through engagement with our neighbours of other faiths;
- **physically** through the availability of rooms and other spaces for hire and
- **practically** with links, activities and information on local support networks and on our website.

We have twelve mission priority areas we have set for ourselves. They form our prayer for the parish. For each area we have some ideas of things we might do to work on that priority. We are also open to how might God might raise up other opportunities for us as well.

Our Mission priorities reflect our desire to be part of the wider church through:

**Worship:** *Worship and Discipleship*

**Community:** *Social Life and Local Engagement*

**Outreach:** *Engagement and Mission*

## **We have five priorities which have a focus around our worship and discipleship!**
